SPRING2018

2017 HOBI AWARDS SHOWCASE ARCHITECTS + BUILDERS

We are pleased to share Greenwich HOBI 2017 award winners. Each year, the Home Builders & Remodelers Association (HBRA) of Connecticut present HOBI awards to winning builder projects under various categories. We are sharing the residential winners whose projects were either in town or the company is Greenwich based. Enjoy the beautiful homes and take note of the architect for each project.
