A select group of the latest HOBI award-winning homes

BY CATRIONA BRANCA

IT WAS A SILVER ANNIVERSARY CELEBRATION AT THE ANNUAL Home Builders & Remodelers Association of Connecticut's Home Building Industry Awards (otherwise known as the HOBI's) dinner this past November. A record crowd of 860 housing-industry professionals gathered to honor the winners in a variety of categories, including custom homes, spec homes, remodeled homes and much more (130 HOBI's were presented this year). Here, we highlight just a handful. To see more photographs of these projects, go to [cottagesgardens.com/bobis2018](http://cottagesgardens.com/bobis2018). ## BEST LUXURY BATH REMODEL

This sun-drenched, first-floor master bathroom exudes a sense of grandeur with exceptional attention to contemporary amenities, such as Fleetwood windows with electric window solar shades, a floating teak vanity topped with Danby marble and a spacious, frameless glass-paneled shower equipped with a showerhead and a rain head. The highlight of the room is an interior soaking tub married by a wall of glass to an exterior soaking hot tub. A ceiling sky window and a rectangular window above the vanities between Roborn medicine cabinets deliver views and sunlight to the space. Floors are in a large-scale Atlantic bluestone with radiant heat. The walls are plaster skim-coated then covered in marble mosaic tile.
