## THE ARCHITECTURE ISSUE

A background of architectural blueprints, showing various floor plans, walls, and structural elements in a light gray color.

A SPECIAL SECTION

# **BUILDERS YOU SHOULD KNOW**

DISCOVER WHY THESE BUILDERS SHOULD BE CONSIDERED WHEN BUILDING A NEW — OR RENOVATING AN EXISTING — HOME.

## HEMINGWAY CONSTRUCTION

A rich tradition of quality craftsmanship extending through three generations. Hemingway's quality work has been awarded repeatedly by the home building industry and by the clients who return time and time again. Hemingway knows how to be current yet timeless. Whether the job is a brand-new custom home or a kitchen renovation, Hemingway provides the same level of personal attention and service. The goal is to make clients' dreams come true, and Hemingway prides itself on doing just that.
